The space

Set on the outskirts of Melbourne city, this stunning event venue combines the grandeur of an 1860s bluestone church with the sophistication of an ultra-modern residence. Ideal as a photoshoot location hire or more general space rental, this light-flooded space provides an exceptional location for a multitude of shoots.

Spanning 770sqm, the space has been shortlisted in the INDE awards and 2017 Houses awards, as well as featured in Habitus magazine. This location embodies serenity, combining the best of old and new. Additional features include a 17-meter solar-heated pool and spectacular roof garden.
