### The space

Presenting this grand Art Deco home filled with period features and finishes, this home is filled with details that will add something unique to photoshoots, filming shoots and events.

Featuring original woodwork throughout including doors, beveled windows, tiled fireplaces, cornices and ceiling roses, every room in this amazing home has its own unique wow factor. All spaciouly proportioned, these authentic details blend with more contemporary elements, styled in an eclectic way, making it perfect to cater to a larger filming crew.
