The space

Emu Place is located in Burleigh Heads, QLD. Architecturally designed to inspire and amaze, this magnificent two storey home lies nestled in the very heart of Burleigh. The home reveals the true meaning of contemporary luxury living. Featuring high ceilings, stunning glass panes/walls, unique wooden accents, a classic neutral colour scheme and seamless finishes throughout.

It has north-easterly aspects, this spacious floorplan has been refined to create a high-end luxury home. Boasting five bedrooms, four bathrooms, two living, an outdoor alfresco area and an outdoor heated 12 person spa. The design seamlessly integrates both indoor and outdoor spaces, contemporary wooden features and fine finishes throughout. Ground floor boasts a guest bedroom/study, bathroom featuring a unique stone basin, expansive laundry, storage space, and access to the double garage. Ascending the stairs, the first floor comprises of four bedrooms as well as a second, central lounge/living area with an easterly aspect. Display glass panes and walls surround, enabling natural light to flow through.

The master suite is complete with a luxury ensuite featuring a double basin, waterfall shower, and an extraordinary walk-in-wardrobe. Designed to embrace the concept of simple luxury living, this multilevel contemporary home provides perfect photoshoot opportunities.
