The space

Situated on a hilly slope in Menzies Creek in the beautiful Dandenong Ranges in Victoria with panoramic views of Cardinia Reservoir and Western Port Bay. This location is light and bright and overlooks thousands of hectares of tree tops with just a small handful of farm buildings visible. The afternoon sun hits the trees and sets them aglow with golden light. The low hanging clouds and wisps of mists rising from the trees on cold days creates a serene ethereal scene. It is a mesmerising location for your next campaign, whether to host photoshoots, film TVCs and series, or host an event.

When the Puffing Billy steam trains chugs past nearby, its toot echoing through the trees makes for a magical, storybook ambience. Kookaburras singing in the old gum trees, squawks from cockatoos and a whole host of other local birds add to the distinctive local soundtrack. Internally, a free standing oval shape bath with a spectacular view, shared by a luxurious walk in shower. The kitchen looks out onto the view and is equipped with modern appliances.
